COUGH?

All your life so far you have been bothered with some cough or indication of cough every single year—because, who has not? Will the same routine follow this year? Why not take every step in your power to prevent coughs or to relieve them at their first conception? Why countenance them at all? Why allow them to advance? Take Heil's Cough Remedy for results. Take it early and it will head off the advance of a cough. Take it late because it may never be too late. Get it now and keep it handy. 30c a bottle.
